

1 This is your input string:

c o d e . t a l k s

2 Print this document (single-page, two-sided) and cut out each letter above.

3 Now glue your cut-out letters into these boxes, according to the number on the back:

1 2 3 4 5 6 7 8 9 10

4 These numbers tell you which letter goes where.

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----
