1 This is your input string:

 $oxed{c} oxed{c} oxed{c}$

- 2 Print this document (single-page, two-sided) and cut out each letter above.
- 3 Now glue your cut-out letters into these boxes, according to the number on the back:

 $egin{bmatrix} 1 & egin{bmatrix} 2 & egin{bmatrix} 3 & egin{bmatrix} 4 & egin{bmatrix} 5 & egin{bmatrix} 6 & egin{bmatrix} 7 & egin{bmatrix} 8 & egin{bmatrix} 9 & egin{bmatrix} 10 & egin{bmatrix$

4 These numbers tell you which letter goes where.

1 2 3 4 5 6 7 8 9 10
